To George

*Dear George*

---

I hope you are well. Your e-mail was so great. I'm writing to tell you about my holiday plans.

As soon as the school finishes, we are going to Spetses with my family. Spetses is a beautiful island where you can relax and visit interesting sights. It is worth visiting Bouboulina's museum and the Town Hall.

We are going to stay there for about three weeks.

On 15<sup>th</sup> July I am going to celebrate my birthday with my friends and my family.

That's all for now. Write back soon and take care .

Best wishes

Kostas
