

MY PROFILE

Hello Sylvia!

I'm Stellina and I come from Greece. I live in Chania, Crete. I'm twelve years old and I love dancing and swimming. I also enjoy listening to music. I like school a lot.

I live with my family in a big house. We've got a garden and a swimming pool. I have a brother who is eight years old. We mostly play together but we sometimes fight too. My parents are very busy because they work too much. I travel a lot with my family.

What about you and your family? How do you spend your week? Please write back soon and tell me about your interests.

Best wishes, Stellina.
