

## My Profile

Hello Kostas,

My name is Maritina and I am your new penfriend. I'm twelve years old. I'm tall and slim. I've got long dark brown hair and brown eyes. I am intelligent and helpful but I'm not very patient.

I come from a very attractive country called Greece and I live in Chania. When I have free time I go shopping, I play football, I play volleyball, I read books and I listen to music! But my favourite hobby is Gymnastics. It is very interesting and exciting, too.

I have one brother whose name is Stratos. Stratos is seven years old, he is a quiet child and kind but sometimes he drives me mad!! Also I have got three cats for pets. They are two females and one male. I really **love them** So, what hobbies have you got?

Write back soon and tell me all about yourself!

All the best,  
Maritina
